

On vacation?

Don't forget your birds!

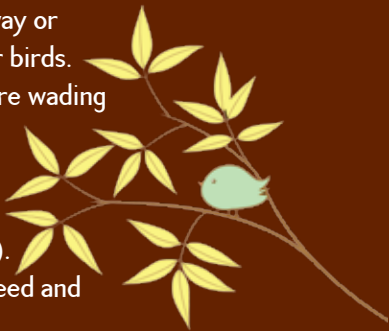

In addition to our Home Delivery service, we offer a Feed & Fill service.

We will keep your feeders full whether you're away or even if you're home so you can simply enjoy your birds. No more hassle getting the feeders down, no more wading through the snow. We'll take care of it.

Cost is \$7.50/15 minutes (plus an \$8.95 trip fee).

We will use your seed supply or you may order seed and we'll bring it with us.

Sit back and enjoy your birds. We'll do the rest!

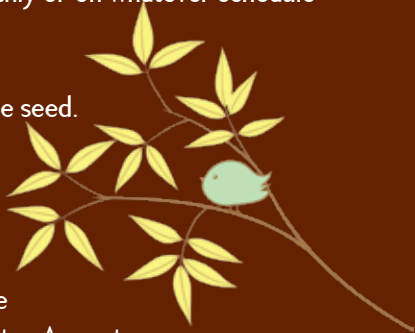

Hectic week? We deliver!

Our home delivery service will bring your birds' favorite seed right to your doorstep. We can deliver weekly, monthly or on whatever schedule works for you.

The delivery fee is \$8.95 plus the cost of the seed.
Weekly delivery day is based on location.
